Mr. Patrick R. Donahoe
Postmaster General, CEO
475 L'Enfant Plaza SW
Washington, D.C. 20260-0010

Dear Mr. Donahoe,

I am writing to express my concern about the recent decision to close two post office facilities in the 7th Congressional District. I was notified earlier this year about the closure of the Manoa Finance Station and 69th Street Terminal Finance Station. The closure of these facilities will be a significant inconvenience to many of my constituents who rely on these offices on a daily basis for business and personal matters. I understand that the United States Postal Service is facing many financial challenges and that we are all forced to make tough decisions in these difficult economic circumstances; however, these closures leave my constituents in those areas with a limited number of options.

In addition to the two previously stated closures, it was brought to my attention that a third Post Office in my district, the Saint David's Branch in Wayne, is under review for closure. I urge you to carefully consider the affect this potential closure will have on the community and businesses in that area.

I appreciate your consideration and would be pleased to discuss these developing events with you. If you have any questions please do not hesitate to contact me at (202) 225 - 2011.

Sincerely,

Patrick Meehan
Member of Congress
